PROFILE

Passionate and self-driven individual with a strong interest in software development and technology. Eager to learn, grow, and apply technical skills to build practical, real-world solutions. Enjoys working in collaborative environments and contributing to meaningful projects. Focused on continuous improvement and committed to making a positive impact while growing with the organization.

SKILLS

Languages: JavaScript, HTML, CSS
Frontend: React, Tailwind
Backend: Node.js, Express
Database: MongoDB

State Management: Context API
Cloud: AWS
Version Control: Git,GitHub
Web Services: RESTful APIs

PROJECTS

Expense Tracker *(MERN Stack)*
- Designed and implemented a full-stack expense management application using React.js, Node.js, Express.js, and MongoDB to track income and expenses.
- Integrated user authentication, transaction CRUD operations, and dynamic data visualizations using chart libraries for real-time financial insights.

Weather Cast *(HTML, CSS, JavaScript)*
- Developed a responsive weather application that fetches real-time data using a third-party weather API and displays temperature, humidity, and wind speed.
- Implemented search functionality with live API integration and optimized DOM rendering for a seamless user experience.

EXPERIENCE

Vision Flow Technology   Feb 2025 – May 2025
MERN Stack Developer – Intern   *Moodbidri, Mangalore*
- Responsible for developing full-stack web applications using React.js, Node.js, Express.js, and MongoDB for 3+ real-time client projects.
- Worked on implementing user authentication, integrating 5+ RESTful APIs, and deploying features to cloud platforms in an Agile development environment.

Codelab Systems   Jan 2025 – Mar 2025
MERN Stack Developer – Intern   *Remote*
- Built and maintained frontend components and backend APIs using the MERN stack, contributing to 2 internal web applications.
- Collaborated with a team of 4 developers to enhance application functionality and manage code using Git and Agile workflows.

EDUCATION

S N M Polytechnic   Moodbidre
Diploma in Computer Science (CGPA - 8.71)   *2022 – 2025*

CERTIFICATIONS AND ACHIEVEMENTS

- JavaScript - Infosys Springboard
- AWS Certified Cloud Practitioner - Udemy
- Full Stack Development - Great Learning
